

Dear Editor,

My name is Elizabeth Reilly and I'm writing in support of Amy Morrin Bello for the 28th district State Rep seat. I am a Wethersfield resident and a special education teacher in the region. I also have two young daughters who attend Wethersfield public school. I'm supporting Amy because I want my town to be represented at the state level by an accessible legislator who walks in my shoes. Amy is a working mother putting her daughters through public school and I know she will fight to make sure our town gets what it needs to take care of its students. I personally feel the legislature as a whole needs more diversity and will always welcome the opportunity to support a woman seeking an elected position. Amy happily gets my vote.

Thank you,
Beth Reilly
